

'Not good enough'

Hardv

says Keen

WYCOMBE manager Mike Keen was clearly upset with Hardwick's behaviour which led to his dismissal, although he admitted to not seeing the incident himself.

"It was terrible," he said. "He let the rest of the side down, but luckily the lads rallied round to get him out of trouble. It was just not good enough."

Mr Keen refused to confirm immediately after the match whether he would discipline Hardwick but the general consensus was that the player would have to pay for his indiscretion.

Earlier in the season Hardwick was put on the transfer list after failing to turn up for a reserve team match. But after regaining his place in the first team, he was taken off the list.

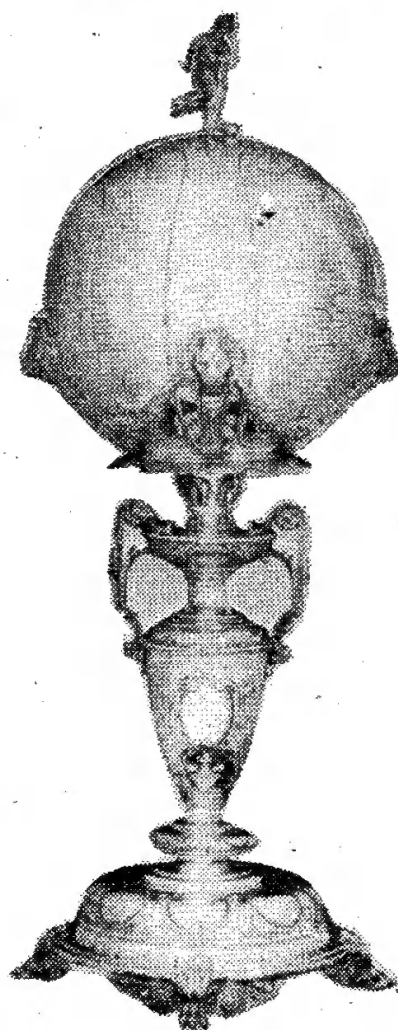

The manager may well repeat the action, considering that Hardwick with a suspension already hanging over him after five cautions, will be set for another ban.

Opponents

DETAILS of Wycombe's second round opponents decided by Monday's draw will appear in the Bucks Free Press, published on Friday.

Pool meeting

THE Claremont Pool League will be holding its monthly meeting at the Trades and Social Club, High Wycombe on January 29, starting 8 pm.

Friendly tonight

WYCOMBE have fixed up a friendly match against Hellenic League side Abingdon Town at Loakes Park tonight (Tuesday). Their side will be made up of a mixture of first and reserve team players.

The Blues are without an Isthmian League match on Saturday and look set to have a free day. The Reserves are at home to Camberley Town in a Suburban League match.
